

Mora San Miguel Electric Cooperative, Inc. is informing its consumers of a telephone scam being perpetrated by individual representing themselves as Mora San Miguel Electric Company employees. One phone number they are using is 505-395-6334.

Phone calls are directed to our Members/Consumers demanding payment of their delinquent electric bill and threatening their electricity will be shut off if not paid within a short time. These individuals disclose information they claim to have as it pertains to your account number, physical address and other personal information belonging to the Member /Consumer.

Mora San Miguel Electric Cooperative Inc. DOES NOT demand immediate payment on a past due accounts. We will provide courtesy calls informing Members/Consumers their account is delinquent, and inform them of their collection date of usually four days. We will provide a delinquent notice by mail prior to providing our courtesy call. Payments may be made at the Mora or Pecos Office, by mail, online or by phone using a credit or debit card.

Should you receive a call demanding payment on your Mora San Miguel Electric account please do not adhere to the payment methods proposed by these individuals. Simply end your conversation and call the Mora or Pecos office to question your bill and status of payment.

Thank You. MSMEC Management, Les Montoya CEO/Manager
