### MSMEC Membership Application Yes No

The Consumer shall become an MSMEC Member, shall pay the \$5.00 Membership Fee and any and all applicable fees, rates and deposits required by MSMEC, and be bound by the Articles of Incorporation and the MSMEC By-Laws, and by such rules and regulations as may from time-to-time be adopted by MSMEC.

#### General Conditions and Service Characteristics

MSMEC shall provide alternating current, single/three phase sixty cycles, and 120-240 volts, to consumers. MSMEC shall set fees as approved by the New Mexico Public Regulation Commission for services and electricity delivered. Consumers shall pay for all fees assessed and shall be commensurate with all services delivered. MSMEC shall apply reasonable diligence in the management of services to insure constant and uninterrupted supply of electric power and energy and customer service. However should power and energy be interrupted by causes not controllable by MSMEC, it shall not be liable therefore. MSMEC may extend its distribution system and consumer shall grant to MSMEC upon request one or more right-of-way easements for extending and furnishing service to the consumer and/or MSMEC member or for any other needs of MSMEC including but not limited to constructing, operating, tree trimming and maintaining its electric system and rights-of-ways and easements.
